

There will be a Community & Regional Stakeholders Meeting on **Saturday, October 3, 2009** at **8 am - 12 noon**, to consider future development, conservation and preservation options on the site. That evening, from **6 pm - 9 pm**, a presentation will be made by the design team that reflects stakeholder input. Dinner will be provided.

The charrette is the next step in the County's continuing effort to develop a master plan for the County Complex property in Goffstown.

The design team of land use professionals will make use of several relevant studies and documents including:

- A 2007 wetland inventory commissioned by Hillsborough County,
- The Goffstown Master Plan,
- Rt. 114 Corridor Study,
- Open Space Conservation Plan,
- 2004 Rail Trail Charrette,
- Piscataquog Watershed Association Conservation Plan, as well as
- Aerial and satellite photos, and
- Topographical maps.

Many of these documents may be viewed at <http://hillscomasterplan.pbworks.com/>
